

# SUMPTER VALLEY RAILROAD

2016 CREW SCHEDULE, UPDATED FEBRUARY 20, 2016

**IMPORTANT NOTES** - If you see that a date/position you really need/want is already filled then let's talk. In some cases these positions have been pre-filled but are not absolute. We may be able to alter. If the person who is already listed has told me that they will take other positions if necessary then we may change to suit.

**IF YOU FIND YOU NEED TO CANCEL** - Then just let me know as soon as possible so we can make other arrangements. We're all volunteers and sometimes our plans don't always go like we want. But please, let me know!

**WATCH FOR THE TRAINMASTERS REPORT** - Every Monday or Tuesday. In it I'll be giving a current status for the upcoming weekend. I will also do my best to post an updated calendar at the same time. Do not hesitate to call or e-mail me if you have any questions, suggestions or concerns.

**CREW FOR SPECIAL EVENT TRAINS** – Due to the complexity and variety of most of our special event trains, crew must be approved by the Operations Committee in advance. We will make every effort to accommodate all willing crews and do our utmost to get you on the trains or working with qualified training crew.

**(TR) NEXT TO SOMEONE'S NAME IS "TRAINING"** This is dependent upon the availability of certified crew members.
